

Can you solve these puzzles??

Who is this?

President Grover Cleveland was born in what state?

think

The Omega Challenge is one of the most fun events offered by the Kingsport Senior Center. It is a team event; teams consist of 4 to 5 people. Teams will compete in various fun mind boggling challenges. We will begin the games on Saturday March 21st at 9am, lasting until noon. The Kingsport Senior Center will provide lunch. Awards will be presented to the winning team following lunch. It is not necessary to be a member of the Kingsport Senior Center to participate in the mega Challenge; however, you must be 50 or older. Encourage your friends to form a team. We will assist in forming teams for individuals who would like to compete. We are looking forward to seeing you there!
